This is our story . . .

Charles Riddle, president of student council, presents a 1953 Cavalier to Freddie McDowell and Irene Baum.

It began at G. W. H. S.
six short years ago

The 1953

CAVALIER

We chose our favorite teacher

COME VISIT MY RANCH

IT IS with gratitude and pleasure that we, the class of 1953, dedicate to you, Mr. Perkinson, our Cavalier. Your friendly manner in both the classroom and in the forensic activities which you head has endeared you to all of us. In the years to come we may forget much of our high school life but we will always remember the helpfulness and the leadership of our "Mr. Perk".

. . . and our favorite students, Mr. and Miss G. W.

Alayne Watson; Charlie Denny

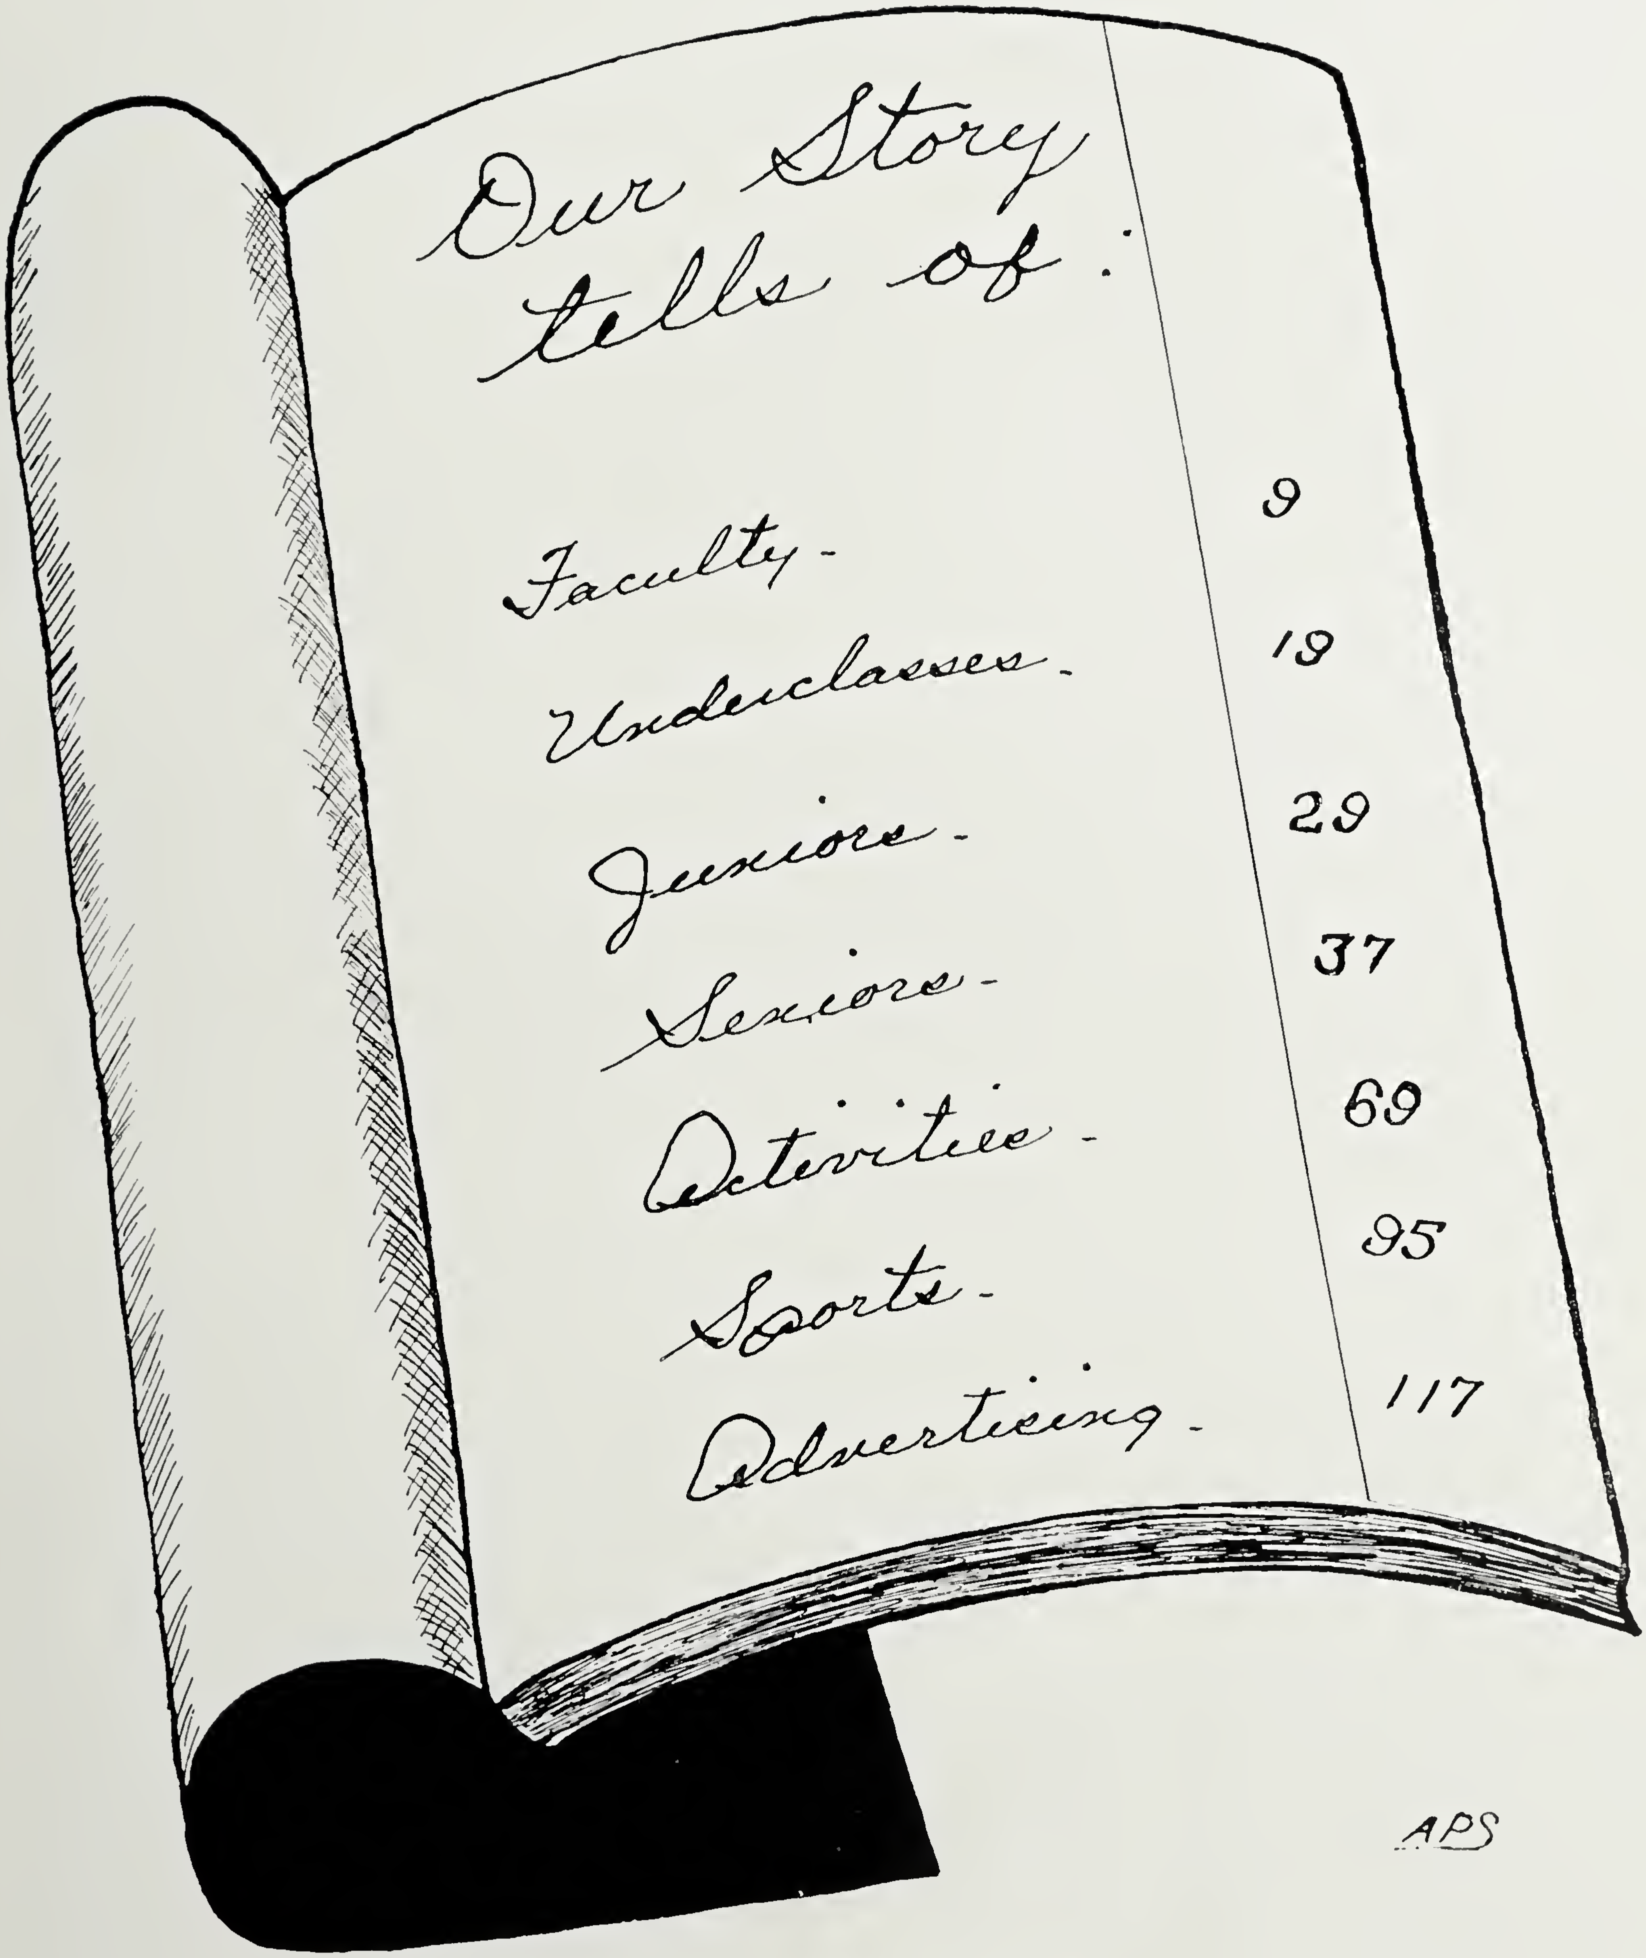
There was much to learn our first two years

We remember the scramble at the lockers our first year. Sue, Jo, Brookie and other seventh graders are doing it now. Could study hall be their next class?

Sonny, Danny, Betsy and Carol are all fixed with the lunch you dream of before you reach junior high—cokes, pie, cake and candy—and nobody says, "No."

Joyce shows Sylvia and Carol how to give fifteen for the team before they try out for cheerleader.

Learning to use the library is one of the biggest chores for eighth graders, but Carolyn and Freddie seem to be having good luck with the card catalogue, while Gayle and Dickie use the unabridged dictionaries.



Our Story tells of:

The Seniors couldn't forget their

Miss Grace

On our return last fall we regretted to find Miss Grace Bagley had resigned. We have missed an excellent teacher and a true friend.

We took on added interests

How wonderful to be a ninth grader and get a smile from a football hero! As Roy passes, Kay, Betty and Sarah enjoy it just as much as we did. Betty, pick your books up.

Don and John get fitted for their first performance with the band. The two years of waiting were worth it.

By our tenth year we realized that you must look your best. Here we see the Jordan twins, Carolyn, Mary Jane and Joan "prettying up" before they meet that special one.

Allen and Fred are ready for the toss up, Al. With a little practice they'll be ready for the team.

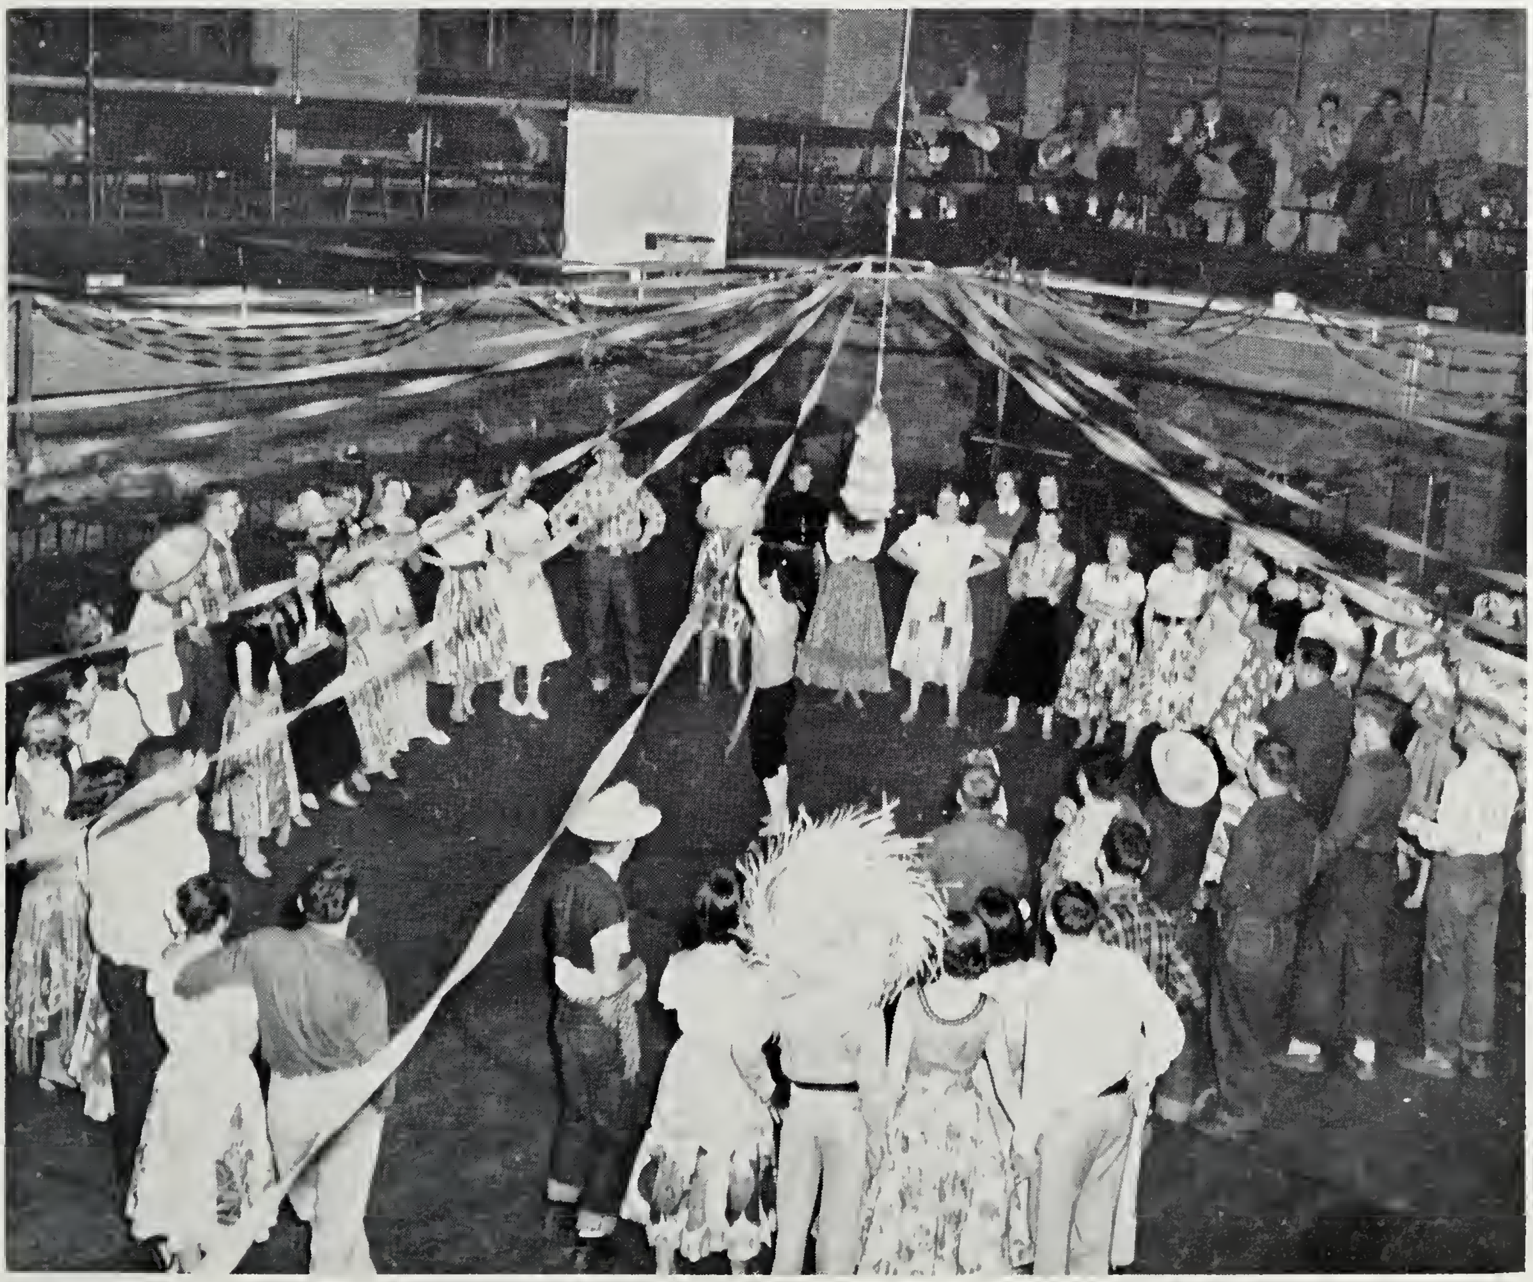
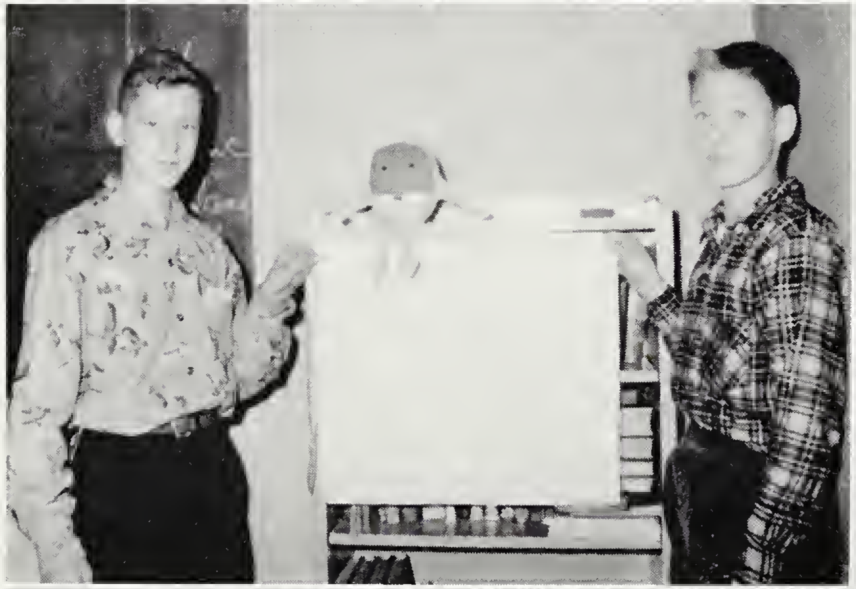
Gay senors and senorita really showed us that GWites have the Spanish spirit when the Spanish Club presented their Fiesta, November 12. Here we see a few of the guests enjoying a Mexican hat dance. Prizes were awarded for the outstanding costumes and the main entertainment was a bull fight, complete with bull, torodors and matadors.



Like Trojans, we went on

D-E-D space! Those drills were really rough but think how smart Pam and Betty will be after they have learned to type.



Richard and Jerry are really studying hard so their good grades will keep Humpty on the wall. If they fall, so will Humpty.

Patsy, Nancy and Jimmy seem to be having a little trouble getting triangle ABC congruent to triangle XYZ. "They'll learn" quoths Miss Barker evermore.

Skizomycetes was a mighty big word for such a little one cell animal. At least Stanley and Douglas came to that conclusion.

The end was in sight

Melvin, Bill and Carol are looking through college catalogues hoping to find just the right school.

Miss Sours seems really pleased with Nina's average as they try to select a course for her to continue in college.

At Last! This is the end of the six long years. Janet, Louise, Charles and other Seniors are hoping for the best on their exams, you can bet.

"Should Auld Acquaintance Be Forgot" will be echoing through the halls soon. Here Carolyn and Mary are getting their robes from Richard, who issues them gladly.

CHARLES RIDDLE
President

The Student Council of George Washington High School, composed of the Judiciary and homeroom representatives, gives the students an opportunity to share in the administration of the educational program of the school.

The Student Council operates freely in the sphere of power with which it has been endowed, and, in other areas, it transmits the wishes of the students to the Administration.

It also conducts various drives (Red Cross, March of Dimes), campaigns (school improvement, clean-up), and elections; it establishes and administers services and activities for the students, and it represents the school at all meetings of the Student Council organizations.

JANEY LEA HARDY

PETE BROWNING
Secretary-Treasurer

the Judiciary

One of the most important parts of the student government of George Washington High School is the Judiciary. This governing body aids in promoting school drives and many other projects. One of its major duties is the trying of cases in the school which involve breeches of honor and any other dishonest practices. After reaching a verdict on such cases the body suggests a suitable puinshment to be acted upon by the office and faculty members. This organization usually consists of thirteen members and one faculty advisor. Besides the president, vice-president, and secretary-treasurer of the student council, who hold the same offices in this organization, there are four Seniors, four Juniors, and two Sophomores. To be eligible for the Judiciary the students must have a scholastic average of eighty or above and must never have been called before this group for any reason.

We made Quill and Scroll and felt honored

JOYCE, CHARLES, AND MARGIE read the letters which tells them they are National Quill and Scroll Winners.

Members of GW's Quill and Scroll chapter are selected from the staffs of its two publications, The *Chatterbox* and The CAVALIER. They are boys and girls who have shown a spirit of cooperation, willingness to take responsibility in getting out the newspaper and year book, and have maintained a good scholastic average. Each year the new members are chosen by Mrs. Nora Payne Hill and Miss Josephine Estes, publications sponsors, and their membership is approved by the international secretary.

First row: Bob Eggleston, Johnny Viccellio, Hosea Wilson, Ronnie Smith.

Second row: Diana Dibble, Betsy Bishop, Carolyn Wells, Joan Cousins, Joyce Bass, Barbara McMann, Bunny Terry, Anne Bankhead.

Third row: Chase Wheatley, Sandra Thomas, Charlie Riddle, Marie Woody, Richard Ramey, Patsy Kinser, Marjorie Woolley, Tom Garrett, Janet Long, Rachel Rosenburg.

Third row: Ronnie Smith, Nelson Benyunes, Tom Garrett, Hill Riddle, Mac Bishop, Janet Long.

The annual CAVALIER assembly was presented in the fall to acquaint all students with our year book and to begin a widespread subscription campaign. Janet and Tom really showed us that they knew how to deal with the Danville merchants because with the help of their teams their ads went over the top. Also to help finance the annual we conducted the Mr. and Miss G. W. contest and sponsored the Faculty-Monogram basketball game.

It has been hard work and fun trying to publish an out-standing year book that we hope will recall all your high school memories after graduation day.

The efforts of these poor souls brought us this year's *Chatterboxes.* Often it was rough going but Mrs. Hill was always there to keep things straight and pull them through.

Since its beginning in 1922, The *Chatterbox* has become one of the most distingushed high school newspapers in the country. Under the guidance of Mrs. Hill it has maintained the highest journalistic standards and has received many awards in addition to producing several fine journalists. Knowing what it had to live up to, this years staff worked very hard to remain on top.

Under the able direction of Miss Elizabeth Oliver, the George Washington Glee Club has had one of the most successful seasons of its career.

Not only has our glee club had the largest enrollment in a number of years but also presented a larger number of programs of different varieties. Among them were the annual presentation of Handel's Messiah; the World Day of Prayer Services, District Contest assemble programs.

The activity of the glee club is not limited only to the physical school year but continues during the summer for those who attend the music festivals held annually in leading cities of the state. There is also the opportunity to attend the music camp at Massanetta Springs, Harrisonburg, Virginia.

Since first organized in 1942, the Cadet Corps of G. W. has been active in training its members in discipline, drill perfection, and the manual of arms. The first and all important purpose of the organization is to familiarize its members with the basic training they will receive if they are called upon to enter the armed forces.

Under the supervision of Commandant L. G. Wilson, the corps continues to be an outstanding unit. Captain Hosea Wilson with Lieutenants Charles Riddle and Bob Shumate are the leaders of this years two platoons or one rifle company.

The corps is a compact unit of serious-minded students who will stand militarily prepared if the occassion demands. Many of the boys who served in the Armed Forces during the Second World War, found their experiences in the George Washington Military Corps very useful and helpful.

The National Athletics Society

The National Athletic Scholastic Society for Secondary Schools was organized at George Washington in May, 1946, by Coach Jerry Quirk and Mr. Christopher. Appointed in 1947, Mr. L. G. Wilson has served as faculty advisor since then.

An honorary organization, it is composed of boys who must have earned a monogram in athletics, maintained an average equal to or higher than the general average of the school for three consecutive semesters, and must have shown the highest type of citizenship and sportsmanship. To be inducted into the group, the boys must be "tapped" in a special assembly each spring.

The aims of the society are: to foster high scholarship among athletes, to elevate the ideals of sportsmanship, to stimulate a desire for balanced training, and to develop more and better leaders in high schools of the United States.

Our athletic ability made us members of

First row, left to right: Charlie Denny, Vic Nelson, Ronnie Belton, Roy Upchurch.

The Monogram Club

The Monogram Club is an honorary society made up of students who have earned a monogram by participating in one of the major sports, by serving two years as a cheerleader, or by serving two years as a manager. New members who are invited to join must be voted in by the clubs old members and then be initiated.

The purpose of the club is to promote good sportsmanship and friendly competition in athletics, to uphold the rules of the school, and to increase interest in sports among students.

Among the clubs activities are the annual bonfire and Homecoming Dance, selecting cheerleaders each year and electing the homecoming queen and her attendants.

Playing before a large home crowd, the Cardinals opened their 1952 football season with a 14-0 victory over Andrew Lewis High of Salem. Ronnie Belton and Jack Thomas tallied for GW with Jack Barnett adding the extra points. The Cardinals with one victory under their belts, journeyed to Roanoke for a game with William Fleming High. It was here that GW suffered its first defeat by a score of 19-0. However much is to be said about the running of Charlie Denny and fine line play by G. W. Ward. Returning home, the Cardinals met Covington High at League Park and romped over them 20-0. Ronnie Belton scored all three tallies for GW with Jack Barnett adding two extra points. GW lengthened its winning streak to three games by defeating Durham County High School in a mud battle on the home field. The score was 13-0. Belton and Denny scored for GW while James Gravely led the line play for the Redbirds. The Cardinals then traveled to Lynchburg for a game with E. C. Glass High. Although the Cardinals played a great game they were unable to stop Glass and suffered their second loss by a score of 35-14. Belton and Newell tallied for GW. Rolling on before an enthusiastic Homecoming crowd the Cards trounced Martinsville High School 26-0. Denny and Thomas led the scoring parade for GW, backed by the fine line play of Calvin Fowler and Bill Roberts. At half-time Miss Mary Jo Milam was crowned Homecoming Queen along with her attendants, Misses Elva Beckham and Diana Dibble.

Boasting a record of 4 wins and 2 losses the Cards tackled Mount Vernon of Alexandria at League Park and after coming from behind twice turned back Mount Vernon 19-14. Charlie Denny and Jack Thomas tallied for the Cardinals while Calvin Fowler and Sonny Kingoff were outstanding on defense. The Cardinals met a highly favored team from Jefferson High of Roanoke and over-powered them in a big upset of 13-6. Coming from behind in the fourth quarter with tallies by Bob Newell and Richard White, the Cards sewed up the game. This win moved GW into second place in the State Group I race. Journeying to Charlottesville, the Cards engaged Lane High and romped over them 38-7. Ronnie Belton, Charlie Denny and Jack Thomas scored for GW. The high flying Cardinals kept the lead and were never in trouble during the game. The Cards traveled to Richmond for their final game of the season with Hermitage. The game was played before a small crowd of cold and damp spectators who witnessed the game which resulted in a 6-6 tie. Ronnie Belton scored GW's lone touchdown while Bill Roberts sparked the defense. The maroon and gray squad ended their most successful season since 1944 with a record of seven wins, two losses, and one tie. GW's conference record was five wins, one loss, and one tie. GW also gained a three way tie for the Western District Championship. Congratulations to Coaches "El" Wilson, Bill Harding, and Joe Gurtis on a great season.

These are our hardwood heroes

Having lost three of last year's starting five, Cardinal Coach Al Mathes had a tough job in rebuilding his team this year. Despite the difficulty, this season's squad, led by Mickey Crawford, All-State and All-Western District player of the year, and Roy Holland, standout guard, has compiled a respectible 10-6 record for all games. This includes a 3-4 Conference tilt score against the heavy end of their schedule through February the seventeenth.

Sam Worley, at center, is the biggest man on the team and has seen action for the past two previous years. At the guard posts are Andy Woods and Ronnie Belton, a pair of Senior lettermen who have turned in outstanding performances.

Three more men who have seen much action are Roderick Sparks, who lettered last season, Dickie Douglas, a Jayvee star of last year, and Calvin Fowler, who is one of the most improved men on the team. Pryor Millner and Jack Barnett, who have seen only limited action this year, have gained valuable experience that will be useful next season.

The '53 edition of the GW cagers successfully defeated Roxboro and Hampden-Sydney Freshmen twice each and took single games from Cradock, Covington, and University of Richmond Freshmen. They split with Martinsville, Henderson, Roanoke and Salem, and lost a pair to Lynchburg during the regular season to tie with Roanoke for the Western District championship. In the playoff they defeated Roanoke to win a tournament berth.

Five returning lettermen headed by Captain Charles Riddle give coaches Al Mathes and Doug Jones the nucleus of what should develop into a powerful squad that will be a serious contender for Western District honors. The other monogram winners back this year include Bill Roberts, Jack Barnett, William Payne, and Guy Cooter. Only Randy Hall and Jimmy Pattisall were lost from last year's team that compiled a 2-7 record against some of the toughest competition in this section.

Since the '52 team was left with only one letterman, Coach Al Mathes had to start a rebuilding program that should pay dividends this year. The Cards best performances last year came against Hargrave Military Academy as they ran rough shod over the Cadets twice by scores of 7-2 and 8-1. The netters dropped matches to Roanoke, Lynchburg, U.N.C. Jayvees, and N. C. State Jayvees.

Due to the return of only four lettermen to the Ladybirds, they had a tough season with two wins and seven losses. They totaled 211 points as compared to their opponents 367. The Ladybirds were under the leadership of head coach Ruth Gurtis with the assistance of Nell Dalton and Kathryn Garver. This year there was no captain. A different girl acted as captain for each game.

Pat Ramsey led the team with a total of 84 points, followed by Rose Harper with 53. Jeanette Jones and Nina Jean Vaughn, newcomers to the team, racked up 29 and 28 points respectively. Holding guard positions and doing wonderful jobs were Carolyn Lowe, Joyce Smith, Jackie Hilliard, Jean Styers and Shirley Henry. Barbara Staton as manager and Nancy Crider as assistant manager proved very efficient in checking equipment and keeping scores.

Among the high school teams encountered by the Red birds were Brosville, Martinsville, C. H. Friend of South Boston, Averette, Roxboro, Tri-City and Reidsville.

The George Washington High School Band, numbering about a hundred members is now in its fourth year of existence. Members of the band are divided into three groups. Those in the beginning section spend their time studying their instruments and the history of them. Members of the intermediate band play music in a somewhat simplified form while those in the senior band concentrate on more difficult pieces.

Among the many activities of this year's GW music-makers was a trip to Chatham on November 4, to play for a P.T.A. meeting. On the twenty-third of the same month the marching band played in the local Christmas Parade. In addition to these appearances the group plays at each assembly for the students to enter and leave the auditorium and in the Christmas assembly they played special music in the holiday mood. Members of the advanced band played at all home football games and went to Lynchburg for the E. C. Glass game on a special bus. On the twenty-ninth of March the local group participated in the District Contest held at Martinsville. Concluding the year, the G. W. musicians took part in the Armed Forces Day Parade and presented a Spring Concert during the first week of May.

. . . and we agree with the Raven

Off we go with a car full of eager sales experts to invade Danville for the '53 Cavalier. Many of our Danville merchants were willing to give an ad after our quick thinking, fast talking advertising squad refused to accept no for an answer. Our advirtising staff sold approximately 215 ads, which shows how many nice people there are in Danville who are willing to help the Cavalier be a big success.

Janet Long and Tom Garrett were co-advertising managers and each led a team composed of seven energetic workers. We couldn't have had better managers. On Janet Long's winning team were: Mary Gravely, Trudy Castor, Catherine Cobean, Gwendolyn Warren, Ann Garrett, and Sue Brown. These were all hard workers, and they really earned their victory. Tom Garrett's team was composed of: Ronnie Smith, Richard Ramey, Cookie Cook, Carolyn Lowe, Jimmy Ingram, and William Fuller. They made a good try, but were defeated. The free Cavalier that was offered to the member that sold the most ads excluding the co-advertising managers, was won by Richard Ramey, with Carolyn Lowe in second place.

Remember the businessmen when you need their products. Let's show them that we really appreciate their co-operation in making the '53 Cavalier the best ever.

Telephone work is interesting — and you don't need experience to get a good job after graduation!

That's one reason why so many girls head for the telephone company when they finish school. They know they'll earn good money from the start, even while they're trained, and get raises regularly.

Your high school counselor can tell you more about the many different telephone jobs — or come in and see us when you finish school!

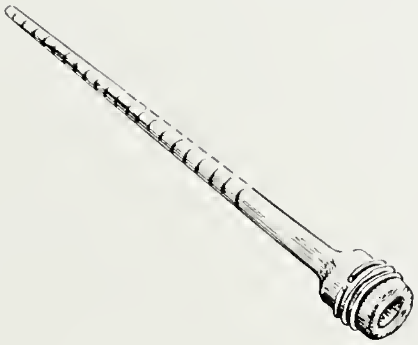
PRODUCERS WAREHOUSE



THIS IS A QUILL . . .

A QUILL is made of wood. It is only 8 to 9 inches long. It doesn't seem that a quill could be very important, but it plays a vital part in the manufacture of cloth. We use hundreds of thousands of them at Dan River in making Dan River fabrics. As yarn is spun, it is wound on the quill. The quill then fits right into the loom and the yarn is removed directly from the quill as it is woven into cloth.

Lots of things may seem relatively insignificant to us at times but later—like the quill—turn out to be pretty important. For example, just one of Dan River's employees might be thought to be relatively unimportant when compared to the total of more than twelve thousand. But, every one of them has his specific job and the efficiency of the entire group depends on each individual. "A chain is only as strong as its weakest link."

Therefore, we give individual attention to every employee hired by Dan River and try to place him where he will be happiest and do the best job. The result is a group of employees, each doing his job well, of which we can be justly proud.
